

STATE OF MICHIGAN
OFFICE OF THE GOVERNOR
LANSING

GRETCHEN WHITMER
GOVERNOR

GARLIN GILCHRIST II
LT. GOVERNOR

EXECUTIVE ORDER

No. 2020-108

Temporary restrictions on entry into health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities

Rescission of Executive Order 2020-72

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended (EMA), MCL 30.401 et seq., and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended (EPGA), MCL 10.31 et seq.

Since then, the virus spread across Michigan, bringing deaths in the thousands, confirmed cases in the tens of thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. On April 1, 2020, in response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the State of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, and the Emergency Powers of the Governor Act of 1945. And on April 30, 2020, finding that COVID-19 had created emergency and disaster conditions across the State of Michigan, I issued Executive Order 2020-67 to continue the emergency declaration under the Emergency Powers of the Governor Act, as well as Executive Order 2020-68 to issue new emergency and disaster declarations under the Emergency Management Act.

Those executive orders have been challenged in *Michigan House of Representatives and Michigan Senate v Whitmer*. On May 21, 2020, the Court of Claims ruled that Executive Order 2020-67 is a valid exercise of authority under the Emergency Powers of the Governor

Act but that Executive Order 2020-68 is not a valid exercise of authority under the Emergency Management Act. Both of those rulings are likely to be appealed.

On May 22, 2020, I issued Executive Order 2020-99, again finding that the COVID-19 pandemic constitutes a disaster and emergency throughout the State of Michigan. That order constituted a state of emergency declaration under the Emergency Powers of the Governor Act of 1945. And, to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature has declined to grant an extension request, that order also constituted a state of emergency and state of disaster declaration under that act.

The Emergency Powers of the Governor Act provides a sufficient legal basis for issuing this executive order. In relevant part, it provides that, after declaring a state of emergency, “the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control.” MCL 10.31(1).

Nevertheless, subject to the ongoing litigation and the possibility that current rulings may be overturned or otherwise altered on appeal, I also invoke Emergency Management Act as a basis for executive action to combat the spread of COVID-19 and mitigate the effects of this emergency on the people of Michigan, with the intent to preserve the rights and protections provided by the EMA. The EMA vests the governor with broad powers and duties to “cop[e] with dangers to this state or the people of this state presented by a disaster or emergency,” which the governor may implement through “executive orders, proclamations, and directives having the force and effect of law.” MCL 30.403(1)–(2). This executive order falls within the scope of those powers and duties, and to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature has not granted an extension request, they too provide a sufficient legal basis for this order.

To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and to this state’s health care system and other critical infrastructure, it is reasonable and necessary to impose limited and temporary restrictions on the entry of individuals into health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities.

Executive Order 2020-72 imposed such restrictions. In light of the ongoing risk to residents and employees of those facilities, it is reasonable and necessary to extend the duration of those restrictions, and empower the Director of the Department of Health and Human Services to create exceptions to those restrictions as circumstances permit. With this order, Executive Order 2020-72 is rescinded.

Acting under the Michigan Constitution of 1963 and Michigan law, I order the following:

1. Except as otherwise provided by the order of the Director of the Department of Health and Human Services (DHHS), all health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities must prohibit from entering their facilities any visitors that: are not necessary for the provision of

medical care, the support of activities of daily living, or the exercise of power of attorney or court-appointed guardianship for an individual under the facility's care; are not a parent, foster parent, prospective adoptive parent, or guardian of an individual who is 21 years of age or under and who is under the facility's care; are not visiting an individual under the facility's care that is in serious or critical condition or in hospice care; and are not visiting under exigent circumstances or for the purpose of performing official governmental functions.

2. All health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities must perform a health evaluation of all individuals that are not under the care of the facility each time the individual seeks to enter the facility, and must deny entry to those individuals who do not meet the evaluation criteria. The evaluation criteria must include, at a minimum, symptoms of a respiratory infection, such as fever, cough, or shortness of breath; contact in the last 14 days with someone with a confirmed diagnosis of COVID-19; and other criteria specified by the Director of DHHS.
3. Any staff member or visitor of a residential care facility, congregate care facility, or juvenile justice facility must wear a covering over his or her nose and mouth when indoors or within six feet of another person.
4. While the restrictions of this order are in place, all health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities must make best efforts to facilitate visitations with individuals under their care by phone or other electronic communication platforms to the fullest extent possible, consistent with normal visitation policies.
5. For purposes of this order, "residential care facilities" includes, but is not limited to, homes for the aged, nursing homes, adult foster care facilities, hospice facilities, substance abuse disorder residential facilities, independent living facilities, and assisted living facilities.
6. The Director of DHHS may issue orders and directives to implement this order, including to specify exceptions to section 1 of this order, and to specify additional evaluation criteria under section 2 of this order.
7. Consistent with MCL 10.33 and MCL 30.405(3), a willful violation of this order shall constitute a misdemeanor.
8. Executive Order 2020-72 is rescinded.
9. This order is effective immediately and continues through June 26, 2020 at 11:59 pm.

Given under my hand and the Great Seal of the State of Michigan.

Date: May 29, 2020

Time: 8:11 pm

GRETCHEN WHITMER
GOVERNOR

By the Governor:

SECRETARY OF STATE
